

# People's Climate March Detroit Bus Information

Interested in fighting back against climate change? Do you want to join hundreds of thousands of like-minded people in Washington DC on April 29? If so, reserve your seat for the Detroit bus to the People's Climate March.

## Frequently Asked Questions:

### **How much will it cost?**

For the first bus, we are proud to offer a low rate of \$80.00 a ticket. This is, to our knowledge, one of the lowest prices in the state for PCM buses. If you're low-income, you can request a stipend to support your travel. Stipends will be awarded as they're available. If we book a second bus it will be more expensive so reserve your tickets now.

### **When does the bus leave? Where?**

The bus will leave from our office at 2727 2<sup>nd</sup> Avenue, Detroit, MI in the back parking lot. DO NOT park on the street overnight. There is a fenced and monitored parking lot with plenty of free parking for you. The bus will leave at 10:30PM on Friday, returning very early (probably about 2AM) in the morning on Sunday. This will be an overnight bus so bring extra things like blankets you might find helpful. We will be arriving in DC around breakfast so you can grab something local or bring your own snack.
